Homework Assignments: HW # 10
Math 451: Numerical Analysis

Do textbook problems:

1. Exercises, Page 302: 2b, 4b.

2. Computer problems, Page 302: 3(b). 4(b).

3. Exercises, Page 313: 2(a), 4(a).

4. Computer problems, Page 313: 1 (a)(b).

Instruction: For exercises, you need to write down your solution process logically and neatly. For computer problems, you need to turn in the codes (printed out) and the running results to show that your codes are working correctly.

Due date: Friday, Nov. 21. In class only please.
