

## Homework Assignments: HW # 4

### Math 451: Numerical Analysis

Do textbook problems:

1. Exercises, Page 116: 2(b).
2. Computer problems, Page 116: 1, 2.
3. Exercises, Page 129: 6(a), 14(a).
4. Computer problems, Page 130: 2(a), 3

**Instruction:** For exercises, you need to write down your solution process logically and neatly. For computer problems, you need to turn in the codes (printed out) and the running results to show that your codes are working correctly.
