

Homework Assignments: HW # 6

Math 451: Numerical Analysis

Do textbook problems:

1. Exercises, Page 165: 1 (a)(b), 2(a)(b), 4.
2. Computer problems, Page 165: 1, 2.
3. Exercises, Page 198: 2, 8(a), 10(a).
4. Computer problems, Page 199: 2, 4.

Instruction: For exercises, you need to write down your solution process logically and neatly. For computer problems, you need to turn in the codes (printed out) and the running results to show that your codes are working correctly.

Due date: Monday, Oct. 20. In class only please.
